Dear Larry:

Just a note to let you know how good it was to see you once again and to have the pleasant visit in your office.

I really appreciated your supplying me with the set of stars - even had occasion to use them before arriving back here. Word of the Senate confirmation reached me prior to departure from Iceland. So, I was "one up" on the family and the boss when they met me on arrival.

Again many thanks, and best regards.

Sincerely,

C. P. Cabell
